Malathi's 30-Day Content Plan

Miss South India 2026 · Village to crown · Real stories

> **Positioning:** Village girl. Government school. Miss South India 2026. Real stories, real struggle, no filter.

What your page is telling us

What we see	What it means
Most Reels get 1.2K to 2.6K views	Steady baseline; the page is healthy.
Horse-riding Reel: 27.2K	Playful, surprising, unscripted moments win.
Diwali silhouette: 16.3K	Festival and emotion content travels.
Saree Reel: 4.9K	Traditional, aesthetic looks do well.
Quote and aesthetic Reels: about 1.5K	Generic motivation is fine but doesn't make you stand out.
"I recently quit my 9-5 job": 564	Your best story, told only as a short text clip. Needs your voice.
No crown, pageant or Miss South India content visible	Your biggest credential isn't on the page yet.

Main insight: the page is pretty and positive, but visitors can't tell who you are or why to follow you. The village-to-crown story is your hook. Your older account's 9K boosted followers didn't engage, so this time we grow organically with story-led Reels, saves and shares, not ad spend.

Rules for the 30 days

- 6 Reels a week (one rest day), plus daily Stories.
- Tamil/English subtitles on every Reel. Speak to the camera for story videos.
- The hook must be on screen in the first 2 seconds.
- End every story Reel with one question to drive comments.
- Pin 3 Reels: intro, bridge story, crown story.
- Reply to every comment in the first hour.

Story structure for every video

Hook (3 sec) → Struggle (one specific detail) → Turning point → One-line lesson → Question to the audience.
